OUR PHILOSOPHY

We don't create ordinary products.

We design spaces that inspire you to slow down, recharge, and enjoy life with joy.

For you. For your loved ones.

At **THERVIK** we combine Scandinavian simplicity with functional solutions, durability, precision craftsmanship, and timeless design.

We are more than a product.
We are a lifestyle that stays with you for years.

CORE COLLECTION

CORE

COLLECTION

DAILY RELAX. DESIGNED WITH TECHNOLOGY.

CORE is a collection of tubs and jacuzzis made from high-quality **pool-grade laminate** and **stainless steel AISI 304**.

Created for those who value durability, functionality, and ease of use.

Pool-grade laminate ensures high resistance to atmospheric conditions, a smooth surface and easy maintenance, while AISI 304 stainless steel guarantees long-lasting performance and a timeless, aesthetic look for years.

DURABILITY

Materials resistant to weather conditions and the passage of time.

TECHNOLOGY

Premium pool-grade laminate and AISI 304 stainless steel.

NATURALNESS

Premium wood processed with care, in harmony with nature.

Thank you.

THANK YOU FOR YOUR TIME.

At THERVIK OUTDOOR, we believe that the best products are no accident. They are the result of thoughtful design, carefully selected materials, and attention to every detail.

Thank you for taking the time to explore our catalogue. We would be delighted to create a product customized specifically for you.
